

SAAWA IS PROUD TO ANNOUNCE  
THE LAUNCH OF THE

# SAAWA STEM LEADERSHIP FELLOWSHIP PROGRAM

*LEAD. MENTOR. INSPIRE. IMPACT.*

## FOR 12TH GRADE STUDENTS ONLY

Open exclusively to 12th-grade students with demonstrated excellence in STEM research, leadership, and service.

## STRENGTHEN YOUR COLLEGE APPLICATION

Gain leadership, mentoring, and research experience that colleges value and scholarship committees look for.

Each year, **five** Fellows will be selected to serve as STEM mentors, student leaders, and ambassadors for science education. Fellows will receive training from experienced scientists and educators to participate in science fair judging activities and will share their experiences with research, competitions, college admissions, scholarships, and STEM opportunities.

## FELLOWSHIP BENEFITS

**RECOGNITION**  
as a SAAWA STEM  
Leadership Fellow

**\$750**  
FELLOWSHIP  
STIPEND

**FELLOWSHIP  
CERTIFICATE**

**LEADERSHIP &  
MENTORING  
EXPERIENCE**  
Mentor 11th graders  
and inspire the next  
generation of  
STEM leaders

**RECOGNITION**  
at the 2027 SAAWA  
STEM Awards  
Ceremony

## WHY BECOME A SAAWA STEM LEADERSHIP FELLOW?

- ✓ Gain leadership and mentoring experience valued by colleges
- ✓ Demonstrate commitment to STEM research and community service
- ✓ Develop judging, communication, and public speaking skills

- ✓ Receive formal recognition as a STEM leader
- ✓ Strengthen college and scholarship applications through meaningful service and leadership activities

Additional information regarding eligibility requirements, application procedures, selection criteria, and program expectations will be distributed to schools in  
**SEPTEMBER 2026.**

We look forward to recognizing and developing the next generation of STEM leaders.

**Professor Subash Midha**

Chairperson, SAAWA STEM Program  
South Asian American Women's Alliance (SAAWA)
